BOOK SIGNING TO FOLLOW THE READING

"Whatever you have planned for next weekend, change it and make space to read this book. Your heart and mind and soul will thank you. This swirling work of love for humanity from Ireland's most exceptional romantic love poet will take you from the paralysis of our visionless future to a place where 'every bole and limb begins to dance the universe's light fantastic prayer.'"

—Mary McAleese, *President of Ireland, 1997–2011*
